ABOUT LAURUS FOUNDATION & SUPPORTING THIS EVENT

The mission of the Laurus Foundation is to advance the lives of individuals with disabilities by facilitating, collaborating, and partnering with other organizations to provide long-term solutions to meet life-long needs.

The Partners In Progress initiative is designed to combine the resources of many organizations and institutions to provide a greater level of independence and quality of life for individuals living with a disability.

At Laurus Foundation, our definition of disability is deliberately broad. We are supporting the efforts of individuals and organizations already laboring in the fields — helping those who use a wheelchair because of a physical disability; assisting those who are having trouble coping with life or fitting in because of a developmental, emotional, or behavioral disability; or supporting the tireless caregivers whose loved ones can no longer care for themselves.

Our goal is to bring together those organizations that are pioneering, developing, or exploring the latest advancements in the fields of technology assistance, teaching and learning, communications, career and entrepreneurial training, health, healing and nutrition for individuals with disabilities.

We take a grass roots approach to philanthropy by visiting these organizations, meeting the staff and the people they serve. This enables us to respond quickly when an individual with a disability is in need. We can refer them to one of our partners for services and know that they will be served well and with the latest, most advanced technology or treatments available.

By supporting this golf outing, you are helping us to provide these vitally needed long-term solutions to meet a lifetime of needs. Please consider either donating to our silent auction and/or raffles in the form of products, services, gifts, etc., and/or advertising in our program booklet (please fill out our **Advertising Order Form**) that will be given to the over 200 attendees that evening. Your generous support would be greatly appreciated.

If you have any questions or wish to attend this day and evening of fun, food, golf and more, please call Mary Dwyer (630) 677-5828 or email at mdwyer@laurusfoundation.org.
